

Granite Group Advisors is pleased to announce that **The Parish of Christ the Redeemer** has awarded management of their endowment to the firm. Rob Donovan, Investment Committee Chair, said: *“The committee underwent an exhaustive search and we found that Granite Group’s independence surpassed what others had to offer.”*

Granite Group was founded on two simple principles: **ethics and integrity**. Our services are designed to meet a higher standard. We protect assets with complete transparency, zero conflicts of interest, and a defined and proven investment methodology. **Truth, Transparency and Safety** are what we accomplish every day.

Christ Church

The Parish of Christ the Redeemer ~ Episcopal/Anglican

The Christ Church stewardship committee is a ministry dedicated to helping the parish focus intently on all that God and our church provide us and encouraging us to give back as generously as we possibly can – with our time, talents and money. Through the annual stewardship campaign we create opportunities for the parish to hear from others about their Christian journey and the gifts from God that they’re thankful for.
