

Granite Group Advisors is pleased to announce that it was awarded the retirement plan of Context Matters. They have elected to utilize the [Granite Group Advisors Multiple Employer Plan](#) to help with the fiduciary, operational and investment management of their plan.

Granite Group Advisors provides a no conflict, DOL compliant retirement plan with a professional management solution. Granite Group has built a system which helps with the fiduciary responsibility of the employer. Plan costs are tracked, investigated and negotiated with Record-keepers, TPA, auditors and custodians. The "Granite Standard" exceeds the current DOL guidelines. Our success lies in delivering private client service to the retirement plan market.

Granite Group Advisors manages retirement plans for hedge funds, brokerage, insurance, private equity and other companies.

## Context Matters

*Context Matters was founded on the belief that a data-driven approach is key to reshaping the way decisions are made in the industry. It's been a strong partnership with our customers that has provided the insight and feedback to help us get there. These industry leaders know the time is now and are finding tremendous value from our platform." - Yin Ho, Founder & CEO*
